

# Electronic Solutions for Processing Insurance

Our digital Transaction Center, located on your Crump website, is designed to accelerate your insurance business processing, allowing you more time to sell.

## eApp

### What Is It

Submit business your way! Drop a ticket and let Crump handle everything, use our intuitive online wizard for a guided application process, or select a flex option tailored to your needs.

### Product Types

Life insurance, long-term care/linked benefits, disability insurance, and fixed annuities

### Benefit

Produce 100% complete application submissions

## Annuity Central

### What Is It

Navigate through our centralized dashboard to access your book of business, complete product training, shop for annuity options for your clients, and write annuity business.

### Product Types

Fixed annuities

### Benefit

All-in-one annuity hub for easy access to products and resources

## Illustrations

### What Is It

Run self-serve illustrations at your convenience or request an illustration using our detailed, online tool.

### Product Type

Life insurance, long-term care/linked benefits, and disability insurance

### Benefit

Customized illustration requests that help clients visualize coverage

## Upload

### What Is It

Use our secure online tool to quickly and safely submit any ink-signed paperwork — streamlining the process and reducing delays.

### Types of Uploads

New cases, existing cases, and licensing and contracting

### Benefit

Fast, secure, and convenient way to submit documents

## Mobile App

### What Is It

Deliver on-the-go functionality to fit your needs, empowering you to serve your clients better.

### Product Types

Life insurance (term, guaranteed universal life)

### Benefits

- Push notifications
- Real-time quoting and case status
- Application selector integration
- Upload documents

## Contracting

### What Is It

Streamline appointment requests to one or multiple life insurance companies.

### Product Types

Life insurance, long-term care/linked benefits, disability insurance, and fixed annuities

### Benefit

Spend less time on contracting and more time on growing your business

## Consumer Sites

### What Is It

Provide a consumer-facing quote engine for your agency's website with branding, term life quotes, and lead management tools.

### Product Type

Term life insurance

### Benefit

Leads are delivered directly to your inbox

## Sales Assist

### What Is It

Leverage our licensed professionals to make sales on your behalf.

### Product Types

Life insurance, long-term care/linked benefits, disability insurance, and fixed annuities

### Benefit

Sell any product that Crump offers, to any person, in any state<sup>1</sup>

# Electronic Solutions for Processing Insurance

\*Once the policy is placed in force, you will receive fifty percent (50%) of the placed case commissions, payable in accordance with your existing compensation level reflected in Crump's systems on a single-case basis when you are licensed in the state of sale.

Drop Ticket is an online insurance application fulfillment process. By performing this service, neither Crump nor its service provider(s) act in the capacity of the writing agent. It is the responsibility of the writing agent to perform suitability review and ensure that the plan and the amount of insurance being recommended for the proposed insured is suitable in view of the owner's insurance needs and financial objectives.

Use of eApp is subject to iPipeline's terms and conditions. Crump makes no representations or warranties concerning the performance of iPipeline, nor that the system or any associated services will be uninterrupted, without omissions, or error free.

Our contracting tool is hosted by SuranceBay, LLC. Use of our contracting tool is subject to SuranceBay terms and conditions. Crump makes no representations or warranties concerning the performance of the contracting system, nor that the system or any associated services will be uninterrupted, without omissions, or error-free.

Crump's Sales Assist program is not a means to circumvent any insurance license or carrier appointment requirements.

Download Crump's mobile app from the [Apple App Store](#) and [Google Play](#). Functionality will continue to be added.
